Dear Madam,

Leave of Absence for EN4932 on 26-03-2019

We (Abarajithan G: 150001C, T.T. Fonseka: 150172A, W.M.R.R. Wickramasinghe: 150689N, C. Wimalasuriya: 150707V) are undertaking the final year project titled 'System Design for Vision Based Traffic Sensing', under the supervision of Prof. Rohan Munasinghe.

As a part of the project, we were at the Piliyandala bypass road – Piliyandala Maharagama road junction for five hours (10.30 am to 3.30 pm) on 26th of March 2019, fixing our data collection device to the traffic lights. We had to choose the given date and time due to the limited availability of the bucket crane vehicle we hired for the purpose. Due to these unavoidable circumstances, four of us were unable to attend the EN4932: Technical & Scientific Writing lecture.

Please be kind enough to take this into consideration and excuse us for the absence on the given date and allow us to complete and submit the assignment on a later date.

Yours sincerely,

(Abarajithan G)
